DIRECTORY INFORMATION
Directory information for Fletcher Public Schools for the school year includes the following: Name, Participation in activities and sports, awards, pictures (etc.). If the parent/legal guardian or student does not want directory information released regarding the student, notification must be given to the principal’s office by the parent/legal guardian or student making the request. (51-24A. 16; S.L.O. 553)

PERSONAL DATA INFORMATION
Please notify the office immediately if you have changed your address, home, work or emergency telephone numbers. The school records need to be kept up-to-date. In case of emergency, we MUST have a current telephone number through which you may be contacted. A note or telephone call will enable us to update our records.

LOST AND FOUND
Students are encouraged to label all personal items for easy identification. Unclaimed items are periodically donated to charity.

TOYS
Toys should not be brought to school except for “Show and Tell”. The school cannot be responsible for lost, stolen, or broken articles.

GRADE REPORTING
Progress Reports
Following the fifth week of each 9-week grading period, a progress report will be sent to the parents of all students through a Monday folder. Parents are urged to confer with their student’s teachers.

Report Cards
Report cards will be given to each student on Monday following each nine-week grading period.

HONOR ROLL GUIDELINES
Superintendent’s Honor Roll: All A’s are required in Reading, Language Arts, Math, Science and Social Studies. Resource grades (Art, Music, Physical Education, etc.) of A’s or E’s and/or S’s are also required.
Principal’s Honor Roll: All A’s and/or B’s are required in Reading, Language Arts, Math, Science and Social studies. Resource grades (Art, Music, Physical education, etc.) of A’s or E’s and/or S’s are also required.

PROGRESSION THROUGH THE GRADES
Students who meet required academic standards are promoted to the next grade level at the end of the school year. Students not meeting academic standards will be retained or administratively placed.

Insufficient attendance, failing or unsatisfactory grades, and inadequate progress may cause a student to be retained in a grade. Parents are given adequate notification of impending failure through progress reports, report cards, and/or conferences (in person or by telephone) with the teacher. It is very important that parents heed such notification and work with the child and the teacher to try to turn the situation around. The final decision will remain with the classroom teacher and must be approved by the principal.

PARENT-TEACHER CONFERENCES
A very important part of the reporting system of Fletcher Elementary is the parent-teacher conference. Conference days are listed on the school calendar. In addition to these days, the parents may request additional conferences by contacting the teacher and setting up an appointment. Once a conference is scheduled, BE SURE to let the teacher know if you cannot attend.

TEXTBOOKS
Students will have text books assigned to them by their teacher. Pupils losing or damaging a book shall be required to pay for such books. Should a lost text that has been paid for be found, the money will be refunded. Textbooks serve as the major resource for concepts and skills taught by the classroom teacher. Students are permitted to take their text books home.

BAD WEATHER
When necessary to close Fletcher Elementary because of inclement weather, the following TV and Radio stations will be notified;
1. TV channels 4, 7, and 9
2. Radio stations 101.3 Lawton, 103.7 Anadarko, or 95.3 Lawton

VISITORS ON CAMPUS
Upon entering the school campus, including parking lots, visitors must proceed immediately to the principal’s office and state the reason for their visit. Permission by personnel of other government agencies shall be in writing from the superintendent of schools, except for routine working relationships established with mutual consent of the school district and the agency involved.
Citizens may enter schools to attend public functions, providing their presence does not interfere with the function of the school.

**WAITING FOR YOUR CHILDREN TO GET OUT OF SCHOOL**
All parents picking up their children from school at the end of the day will need to wait for their children OUTSIDE of the building. This will ensure the safety of others and keep distractions down to a minimum.

**BIRTHDAY PARTIES**
Individual birthday parties will not be allowed, due to a shortened 4 day week and use of class time. Parents are welcome to bring cupcakes, cookies etc. to the office and the children can have them during their snack time.

**ATTENDANCE**

**ARRIVAL ON CAMPUS/DISMISSAL**
Students are not to come to the school or be dropped off at the school before 7:40 A.M. each morning. Supervision is not provided for students on campus before 7:40 A.M. or after 3:45 P.M. The school or the Fletcher School Board cannot be held liable for any harm that may befall a student who arrives at school prior to this designated time of 7:40 A.M. or is not picked up from school by 3:45 P.M.

Upon arriving, students are to wait outside at the front entrance, go eat in cafeteria, or wait on playground until school employee arrives. No playing on playground without a school employee present. Students will be let in the building at 7:50.

At the beginning of the school year, please discuss with your child’s teacher how you expect him/her to get home. If the teacher does not receive a note, the child will be sent home his/her regular way. These arrangements must be planned for ahead of time, and students will not be permitted to use school telephones to find out how they are supposed to get home.

**EARLY DISMISSAL OF SCHOOL**
Some times, it is necessary for school to be dismissed early (without prior warning) because of emergency situations. Please make arrangements with your child as to where he/she should go and what they should do at those times. A signed parental form will be on file with your child’s teacher as to where the child should go.

**ABSENCES/TARDIES**
It is important that all students attend school regularly. However, if a student has to be absent due to illness or other extenuating circumstances, it is
the responsibility of the parent to notify the school. This will need to be done either by telephone or a written note signed by the parent when the student returns.

Students are expected to be in attendance at school a minimum of 90% (no more than eight absences per semester) of time in order to be promoted to the next grade. Even if an absence is deemed “excused” it still counts as one of the 8 for the semester, an absence is an absence whether excused or unexcused. Notifications will be sent home after the “3rd” absence. A parent conference will be required for excessive absences and may result in a District Attorney referral.

EXCUSED: If the reason for the absence is personal illness of the student, doctor or dental appointment, death in the family or funeral, the student will receive an EXCUSED absence and will be allowed to make up work missed. One day will be allowed for each day absent to complete make-up work. We realize there are times when families must be out of town and have no alternative except to take their student with them or an opportunity may arise that the parent feels is important enough for a student to be absent although the reason does not meet the “excused Absence” criteria.

In this case the parent should contact the principal and explain the nature of the intended absence. If the principal concurs, the student will be allowed to obtain class assignments for the day of the intended absence. All assigned work must be turned in at the beginning of class on the day the student returns.

UNEXCUSED: When a student is absent with or without the permission for a reason that does not meet the above criteria, students will not be allowed to make up the missed work. Therefore, they will receive zeros for the assignments.

TARDIES
Students who are tardy, along with their parent, guardian or any person who drops them off, will be required to come into the office to be checked in for the day. The person(s) will need to park in a place other than the “drop off lane” and come sign that child in for them to be permitted to class. The people who do not come in, will be contacted by administration and if the problem is habitual, will be required to have a meeting with administration.

PERFECT ATTENDANCE
Perfect Attendance this year will be earned on a monthly basis and for the year. They can have NO classroom absences, NO tardies, or leave school early for that time period. A student who is not in the classroom when class begins will be marked tardy. The student will also be eliminated from eligibility for perfect attendance should they check out early for any
reason other than a school sponsored activity. These awards will be given at the end of each month at the monthly assembly and an award given at the end of the year assembly for those who have maintained perfect attendance all year.

EARLY DISMISSAL FOR STUDENTS
Students who need to leave the campus during the school day for a dental, doctor, or other appointment must be checked out by the parent or guardian through the office. No student should leave the campus for any other reason. For the safety of our children, no student is to be removed from class without the teacher’s prior knowledge. Students may be checked out ONLY by those persons authorized to do so. A PHOTO I.D. MAY BE REQUIRED TO SIGN A STUDENT OUT.

WITHDRAWAL
A student who finds it necessary to withdrawal from school should observe the following procedure in order to leave school with a clear record.
1. Arrange a conference with the principal to explain the reason for withdrawal, leave a forwarding address, and secure a form to withdrawal from the office.
2. Secure the signature on the withdrawal form from each of his/her teachers as he/she turns in textbooks to that teacher.
3. Clear all lunch and breakfast charges.
4. Return all library books.
5. Leave this signed withdrawal form in the office.
6. The student’s records will be forwarded to the new school upon request.

DRESS CODE
Fletcher Elementary School seeks to maintain an orderly environment for education. To accomplish this, we have set a standard of student dress that is conductive to a proper educational climate. Clothing worn by students shall be neat, clean and in good repair for the general personal health and safety of the student. Immodest clothing of such type that distracts from the learning process shall not be worn. Some of the items we do not allow students to wear or display on campus are:

1. Lengthy belts that hang down.
2. Chains hanging out of pockets or from clothing.
3. Any item with gang or drug symbols.
4. Any item that advertises drugs/alcohol/tobacco.
5. Skirts or shorts that do not reach at or near the fingertips.
6. See-through items.
7. Tight or revealing clothing.
8. Bare midriffs or crop tops (when arms are raised, midriff is bare)
10. Halters, strapless dresses or tops.
11. Any articles which might disrupt the learning environment or pose a safety hazard.
12. Shoes that are inappropriate for playground.
13. Any item that depicts scenes of death or violence.

All pants must be worn snug at the waist and must not drag the ground. Shirts must not be long enough to cover shorts or skirt. Appropriate undergarments must be worn. Sneakers are necessary for safety during Physical Education or recess. Girls should wear shorts or slacks on days when they have PE.

Students who come to school dressed inappropriately will be expected to change. Their parents will be contacted to bring appropriate clothing. They will not be permitted to attend classes in inappropriate clothing. Clothing should be weather appropriate.

No body art is allowed. This includes, but is not limited to, unnatural haircolor, tattoos (must be covered while at school), face painting, and unnatural contacts. Exceptions may be made by administration on certain “spirit days”. Students in violation of the dress code will be expected to correct the situation in a timely manner even if it means going home to change or having someone bring appropriate clothes to school. However, students should understand if they must leave campus to rectify their violation, they will be counted absent for the time they are gone.

**WIRELESS TELECOMMUNICATION**

During school hours, students are prohibited from possessing wireless communication devices. Fletcher School certified personnel have the authority to search students for such devices. Students are permitted to possess wireless telecommunication devices in their private vehicles while on Fletcher School campus or at after school hour, school functions.

**RADIOS, TAPE PLAYERS, CD PLAYERS**

Ipods, radios, tape players, CD players, and electronic devices are not permitted in the halls or classrooms of any school building unless used being used for instructional purposes.

**CELL PHONES OR DEVICES**

Students are allowed to carry cell phones on campus, but must keep them turned off unless directed by a teacher, principal or other authority. Violations will result in the following consequences:

1st violation- phone will be taken and given to the principal and student may pick it up at the end of the day. Parent contacted

2nd violation- phone taken and parent must pick up.
3rd violation- phone taken, parent must pick up and 2 days of ISS.
4th violation- phone taken, parent must pick up and and 3 days of ISS.

**LASER LIGHT DEVICES**
Students are prohibited from possessing laser light devices while on the school campus, in transit under the authority of the school or while attending any function sponsored or authorized by the school.

**PHYSICAL EDUCATION EXCUSES**
Students who, because of illness or injury, are temporarily unable to participate in physical education or playground activities need to present a note each time from their parent to the PE/playground teacher explaining the problem. Students who need to be excused from activities for a week or more need to provide a doctor’s excuse. If your child has any permanent physical restrictions or disabilities, please notify the office.

**PLAYGROUND**
Students will be supervised at all times while on the playground. School rules are to be followed. If students demonstrate by their actions that they cannot or will not follow playground guidelines, they will be disciplined according to school policy.

**FIELD TRIPS**
Field trips are rewards and for the enrichment of the students of Fletcher Elementary. Therefore, parents are asked not to bring siblings to these events.

If a student has had numerous discipline issues, a parent may be required to accompany the student on the field trip for the student to be eligible to attend. If field trips last for half a day only and the parent takes them home, this will result in their name being taken off for perfect attendance recognition.

Participation in field trips is a privilege that must be earned. If a child consistently demonstrates by his/her actions or speech that they are not responsible enough to follow school guidelines, participation in these activities will be denied. The decision of the teacher and principal will be final.

The school dress code applies at these events. If dressed inappropriately, students will not be allowed to participate.
STUDENT SERVICES

HEALTH SERVICES
We do not have the facilities to take care of ill students for an extended period of time. Should your child become ill, we will give you a call. Please make arrangements for your child to get home or to the doctor.

Sick students who are running a temperature will not be allowed to remain at school. They should not return to school until their temperature has remained normal for 24 hours.

MEDICINE
Only those medicines provided by the parent can be dispensed at school. Those medicines must follow these guidelines:
* Medicine must be in the Original Container, whether it is prescription or over-the-counter.
* The name of the medicine.

COMMUNICABLE DISEASES
To prevent an outbreak of communicable disease such as head lice, scabies, etc. school employees will periodically check students at school (especially when alerted to the possibility of an infestation). Children will be sent home if suspected to be infected with a communicable disease. It will be the parent’s responsibility to rid your child of any disease. A child must be treated and proof of that treatment must be presented to the office when the child returns. (It is the policy of Fletcher Schools those students who have been sent home with head lice must be nit free before being allowed to return to school.)

READING SUFFICIENCY ACT
Beginning with students entering the first grade in the 2011-2012 school year, if the reading deficiency of a student is not remedied by the end of third grade, as demonstrated by scoring at the unsatisfactory level on the reading portion of the statewide third-grade criterion-referenced test, the student shall be retained in the third grade. No student may be assigned
to a grade level based solely on age or other factors that constitute social promotion.

For those students who do not meet the academic requirements for promotion, a school district may promote the student for good cause only. Good-cause exemptions for promotion shall be limited to the following:

1. Limited-English-proficient students who have had less than two (2) years of instruction in an English language learner program;

6. Students who have received intensive remediation in reading through a program of reading instruction for two (2) or more years but still demonstrate a deficiency in reading and who were previously retained in kindergarten, first grade, second grade, or third grade for a total of two (2) years.

Fletcher has an excellent lunch program. Hot balanced meals, including milk, will be served at a minimal fee (price set each year by the Fletcher school Board).

1. Maximum charges - 10
   This applies to full and reduced lunches and breakfast totals.
2. All charges must be paid in full before a student will be permitted to charge again.
3. Parents will be notified when a student reaches five charges and when a student is making the 10th charge. Students will not be allowed to charge after the 10th time and therefore must be prepared to pay for the 11th meal and others until charges are paid in full.
4. Any student who exceeds the charge limit for the second time will no longer be permitted to charge and will be required to pay for each meal for the remainder of the school year.

Fletcher Public Schools will not permit any student to charge more than a total of $25 for lunch and breakfast. **BULLYING POLICY**

*Harassment, Intimidation and Bullying Prohibited*

“Harassment, intimidation, and bullying,” as defined by Oklahoma Statutes at 70 O.S. 24-100.2, means any gesture written or verbal expression, or physical act that a reasonable person should know will harm another student, damage another student’s property, place another student in reasonable fear of harm to the student’s person or damage to the student’s property, or insult or demean any student or group of students in such a way as to disrupt or interfere with the school’s education mission or the education of any student.

**A)** “Harassment, intimidation and bullying” include, but are not limited to, a gesture or written, verbal, or physical act that is reasonably perceived as being motivated by a student’s religion, race, color, national origin, age, sex, sexual orientation, disability, height, weight, socioeconomic status, or any other distinguishing characteristic.

**B)** “At school” means on school grounds, in school vehicles, at designated school bus stops, at school-sponsored activities, or at school-sanctioned events.

**Report, Investigation, and Sanctions**

**A)** It is the express policy of the Board of Education to encourage students who are victims of harassment, intimidation, or bullying to come forward with such claims. This may be done in the following manner:
1. Students who feel administrator, supervisor, support personnel, teachers, or other students are subjecting them to harassment, intimidation, or bullying are encouraged to report these
conditions to the appropriate administrator or teacher. If the student’s immediate administrator or teacher is the alleged offending person, the report will be made to the next higher level of administration or supervision or to any responsible adult person.

2. Confidentiality will be maintained and no reprisals or retaliation will be allowed to occur as a result of the good faith report of charges of harassment, intimidation, or bullying.

B) In determining whether alleged conduct constitutes harassment, intimidation, or bullying, the totality of the circumstances, the nature of the conduct, and the context in which the alleged conduct occurred will be investigated. The superintendent or the principal has the responsibility of investigation and resolving complaints of harassment, intimidation, or bullying.

C) Any employee found to have engaged in harassment, intimidation, or bullying of students shall be subject to sanction, including, but not limited to warning, suspension, or termination, subject to applicable procedural and due process requirements.

D) Any student found to have engaged in harassment, intimidation, or bullying of other students shall be subject to sanctions, including, but not limited to warning, suspension, or other appropriate punishment subject to applicable procedural and due process requirements.

E) Incident Report Forms will be located in the Teacher Handbook, the Principals’ Office and the Superintendent’s Office.

(Board Approved June 7, 2005)

**RULES FOR EXTRA-CURRICULAR ACTIVITIES**

Students involved in extracurricular events represent the school and student body in very special ways. Since students participating in extracurricular activities are in the limelight, the school board, administration, teachers and parents feel that a special effort should be made by our young ladies and gentlemen to conduct themselves as such at all times. Because they are under constant scrutiny as leaders in our school, the following rules and policies are set forth concerning students participating in extracurricular activities.

Extracurricular activities might include athletics, cheerleading, vocal music, academic team, 4-H, and field trips.

Any student participating in any of the above groups must govern their actions and attitudes when in school or in public. Any student found in possession of or under the influence of marijuana, narcotics, hallucinatory, hypnotic or sedative drugs or any dangerous chemical, alcohol or stimulant not prescribed by a licensed physician will be suspended from all extracurricular activities for the remainder of the school year.

Any student missing three (3) hours or more of school on the day of an activity will not be eligible to participate in the activity.

Any student suspended from school, for any reason, will be suspended as well from all extracurricular activities. Students involved in extracurricular activities are not to use tobacco while participating in that activity. They will be suspended from all activities upon the second offense.

“Rules for Extra-Curricular Activities” concerning make-up work will be as follows: Any student excused for an extracurricular activity shall still be responsible for his/her regular class work assignments made while the student is absent and will be due on a time schedule in relation to the number of days the student was absent for the activity up to a maximum
of 3 days with all work and tests due on the 4th day. Students in extracurricular activities are reminded that they are representing the school and as such representative shall be appropriately dressed as instructed by their sponsor or supervisor. All participants in school activities shall travel to and from the activity in school transportation.

If a student is going to ride home with a parent from an activity, the parent must tell the coach or sponsoring teacher.

If a student is going to ride home with another student’s parent the coach must have a note from both parents or the parents must contact the coach. Any student with disciplinary action pending is ineligible for any activity. All students participating in extracurricular activities shall meet eligibility requirements of the Oklahoma Secondary Activities Association. Students will be in good standing with the school before being allowed to represent the school in any activity.

**SEARCHES**

The purpose of this regulation shall be to set procedures for searches. Searches of students, lockers, and possessions shall be conducted for the purpose of investigating behavior that might cause injury to students or damage the educational process or is in violation of school policy or state or federal law.

**Object of Search:** The person, personal property, and locker or desk of a student attending Fletcher Elementary may be searched on District property or while in transit to or attending any function sponsored or authorized by the District when there is reasonable cause to believe that the person, personal property or locker or desk of such student contains one or more of the following (hereafter referred to as prohibited items):

1. Dangerous weapons
2. Drugs, counterfeit drugs, marijuana, stimulants, depressants, alcoholic beverages, non-alcoholic beverages, and other dangerous substances as defined in the Dangerous Substances Act (Title 63 Oklahoma Statutes, Section 2-101, et seq.)
3. Stolen property.

**Persons Authorized to Conduct Searches:** Only a building principal or and employee authorized directly by the building principal or administration shall conduct a search of a student, a student’s personal property, or a student’s locker or desk. District personnel shall make all requests for student personal property and student locker and/or desk searches to the building principal. If the principal is not available, appropriate administration should be contacted for directions.
This regulation does not authorize the search of adult non-students. If it is determined that an adult non-student has possession of one or more of the prohibited items, the appropriate law enforcement agency will be called.

Method of Student Searches: Searches are to conduct by persons authorized in the above sections.

When possible, an effort should be made to conduct a search without physically touching the student.

When necessary, the administrator may request the student remove outer garments, such as hats, gloves, and coats. The student may be requested to empty pockets and turn them wrong side out. Removal of clothing other than the outer garments described above shall only be done by law enforcement officials who are not District personnel.

In instances of searches for stolen property, no requests shall be made of law enforcement personnel to conduct searches by removal of clothing other than outer garments described above.

A student, pending a search for prohibited items, may be detained by administration, faculty or a District security officer.

The search of student should be made by a person of the same sex as the student (whenever practicable) and be witnessed by another certified employee of the District, also of the same sex, whenever practicable.
